## FAST WALKING - COMPLETE TOUR DU MONT BLANC IN 6 DAYS

Duration: 6

Fitness:  Technique: 

Price from: 1 475 €

**This 6-day version of the Tour du Mont Blanc is a condensed format** of our classic complete 10-day itinerary. Although the route remains the same, some stages have been combined to give a decidedly sporty character to this adventure. The entire circuit is done on foot, without any reliance on transportation. However, it is not a race; no section requires running, but a brisk walk is required. This full tour is suitable for hikers with regular practice, capable of completing stages of around twenty kilometers with a positive elevation gain of 2000 meters.

Starting from the Chamonix Valley, you will traverse stunning landscapes, particularly in the Beaufortain, Val Veny, and Val Ferret. Whether in France, Switzerland, or Italy, you will have the opportunity to admire breathtaking panoramas, including glaciers, high-altitude lakes, alpine meadows, waterfalls, and much more. Take advantage of this unique experience by returning to your starting point on foot, without any reliance on transportation: an ideal route for hiking enthusiasts who want to complete the Tour du Mont Blanc entirely on foot.

Immerse yourself in a unique trail experience, guided by the anecdotes and thoughtful advice of your mountain guide, all without worrying about logistics. You only carry your daypack; baggage handling is taken care of by taxis, and daily picnics are organized by accommodations. Spend the night in a mountain hut or hotel, in a dormitory or a small room.
