WINTER ACTIVITIES FOR CHILDREN AGED 4 TO 6

Mini Wolves offers mountain adventures for children throughout the four seasons, with activities adapted to each time of year. In winter, children aged 4 to 6 discover the mountains and snow through a different activity every afternoon.

WEEKLY PROGRAM

Monday afternoon - It's all about sliding!
We jump, slide and scramble our way through the enchanted forest on a fun course through the snow.

Tuesday afternoon - Ice Age
We build and sculpt an igloo using our imagination before enjoying a snack inside our snow shelter.

Wednesday afternoon - Little trappers on the trails of animals
We'll set off in the footsteps of the mountain animals to learn how to recognise their tracks, discover their habits and look for signs of their presence. Perhaps we'll even find their hiding place!

Thursday afternoon - Little adventurers: the secrets of mountain safety
How can you prepare for a winter adventure in the mountains? Through age-appropriate games and activities, children learn the right habits to stay safe in the snow. A fun introduction to becoming proper, responsible little mountaineers!

Friday afternoon - Treasure hunt
Using a map and clues, we set off in search of the treasure.

The program may be changed according to conditions and at the discretion of the professionals.
