VIA FERRATA

Duration: 0.5 | Difficulty: | Price from: 85 €

A SPECTACULAR VIA FERRATA WITH VIEWS OF MONT BLANC

Located in the Aiguilles Rouges massif opposite Mont Blanc, the Evettes via ferrata is one of the finest routes in the Chamonix Valley. Accessible in just 30 minutes from the top of the Flégère gondola, it offers an exciting introduction to vertical terrain in an exceptional mountain setting. Traverse ledges, climb rock sections equipped with metal rungs and cross an impressive rope bridge suspended high above the ground. This aerial route offers the perfect balance of adventure, excitement and breathtaking views of the Mont Blanc massif.

AN ACTIVITY SUITABLE FOR BEGINNERS AND FAMILIES

The Evettes via ferrata is particularly well suited to beginners, families and anyone wishing to discover the world of climbing without any previous technical experience. Nevertheless, this remains a physically demanding activity and is intended for participants over 1.40 m tall who are comfortable with heights and able to pull themselves up using their arms on certain sections. Accompanied by our guides, you will enjoy a fun and safe experience while discovering the thrill of moving through vertical terrain in the heart of the Aiguilles Rouges.
