SKI TOURING - INTRODUCTION IN THE ITALIAN VAL FERRET

Duration: 2

Level: ▲▲▲▲▲

Price from: 325 €

The Val Ferret borders the Italian slopes of the Mont-Blanc massif. It is well known for the view on the high summits: Mont Blanc, Grandes Jorasses, Dent du Géant... It is also renowned for its remoteness, calm and authenticity. In a unique and exceptional setting, this programme was designed for a gentle introduction to ski touring. You will enjoy gentle slopes perfect for beginners, as well as comfortable accommodation at refuge Bonatti. Your guide will introduce you to the basic techniques such as kick turns. He will also give you personalised tips to improve your descent technique. A summary of what awaits you: great skiing in fantastic scenery plus typical Aosta valley accommodation.

To discover the mountains of Valle d'Aosta, we have developed a series of ski tours and trips in the Italian Valley. These adventures allow you to enjoy the exceptional playground of this area while experiencing high-quality accommodations that live up to the region's reputation. Explore also [the Val Magia hut](#), a hidden gem just a few steps from Aosta. Embark on a [ski tour in Val de Rhêmes](#), which showcases the Italian side of Val d'Iserne. Finally, journey into [the Gran Paradiso national park](#) and go for the ascent of Gran Paradiso itself.

ITINERARY

Day 1

Short transfer from Chamonix to the Val Ferret via the Mont Blanc tunnel. We put on our skis in the small village of Planpincieux (1 580m) then climb up the Val Ferret to the hamlet of Lavachey (1 642m). Our ascent continues through the woods to the Malatra 'alpages', or high mountain pastures, from where we glimpse the Bonatti hut (2 025m). The afternoon is devoted to learning basic techniques for ski touring (kick turns) and mountain safety (avalanche rescue).

Vertical ascent: 445m

Day 2

Ascending the gentle alpage slopes, we reach a livestock enclosure and then the huge Malatra valley. Depending on the wishes of the group, we can either head for the Col de Malatra (2 928m) or the Col d'Entre Deux Sauts (2 524m). A beautiful descent takes us back down to the hut and then the valley. Transfer to Chamonix, which we reach by mid-afternoon.

Vertical ascent: 500m / Vertical descent: 950m (Col d'Entre deux Sauts) | Vertical ascent: 900m / Vertical descent: 1 350m (Col de Malatra)
