MOUNTAINEERING - BEGINNER MOUNTAINEERING COURSE - 5 DAYS

Duration: 5

Fitness: ▲▲▲▲▲ Technique: ▲▲▲▲▲

Price from: 1 145 €

This 5-day beginner course builds on the program of our [3-day course](#), with the addition of two extra days and an overnight stay in a refuge. It still guarantees a gradual introduction to the exceptional setting of the Chamonix Valley and the Mont-Blanc Massif, but the night in a high-altitude refuge will provide an even more intense experience. It's also an opportunity for a more in-depth exploration of mountaineering techniques. A hallmark of our courses, with a special ratio of 3 to 4 participants per guide, ensures personalized guidance and a high level of adaptation to your specific needs. The course includes the enchantment of the surroundings, effective teaching, and a program tailored specifically for beginner mountaineers.

This course is part of a series of mountaineering programs designed to guide you from your first alpine adventures to lead climbing. It's an essential step in acquiring the fundamental skills needed before progressing to the "[Autonomy and Safety](#)" courses, which are the natural next step. If you prefer a shorter introduction to mountaineering, our [3-day introductory course](#) is ideal for you!
