A MYTHICAL VALLEY

The Chamonix Valley is world-famous for the variety and quality of its ski touring routes. From the first snowfalls, experience the magic of breathtaking landscapes, serene silence, and pure skiing pleasure. You don't need to be an expert to enjoy ski touring in Chamonix—whatever your level, our local knowledge ensures routes **perfectly tailored to your experience and goals.**

EXPLORING THE AIGUILLES ROUGES

The Aiguilles Rouges offer an ideal setting for discovering ski touring. The Lac Blanc area (Col des Dards, Col du Belvédère) is perfect for a first outing in a sunny, panoramic location **facing Mont Blanc**. The Crochues-Bérard-Le Buet traverse leads to the northern side of the range, through wild and untouched landscapes. On the border between France and Switzerland, the mountains around Lac d'Émosson offer stunning ski touring in remote areas, including Col de la Terrasse, Col de Fenestral, and Bel Oiseau, some of the most renowned routes in the region.

HIGH MOUNTAINS AND GLACIERS

This is Chamonix's true signature: high-mountain ski touring. The Argentière Glacier Basin is a unique location, dominated by majestic north faces. The Passon, Chardonnet, Tour Noir, and Argentière cols are classic routes not to be missed. The Vallée Blanche, between the Combe Maudite and Col d'Entrèves, offers an **exceptional glacier skiing experience**. Spending a night in a mountain hut—Requin or Cosmiques—allows you to extend the adventure in the heart of the high Alps.
