Duration: 0.5 | Difficulty: | Price from: 67 €

SPORT RAFTING IN CHAMONIX - AGES 15 AND UP

For thrill-seekers looking for a more challenging white-water experience, this **sport rafting trip** begins on the Arveyron River, the mountain stream that carries the waters of the Mer de Glace glacier before joining the Arve River. Over approximately **1 hour and more than 8 km**, you will navigate sections that are faster, more technical and more demanding than our classic rafting trip.

The rapids of the Arveyron, typical of Alpine mountain rivers, provide an **exciting and dynamic experience** before joining the Arve to continue the adventure all the way to Chamonix. This trip is designed for participants looking for a more intense white-water experience and is particularly suited to those who have already tried rafting or who want to discover a more adventurous descent in the heart of the Mont Blanc region.
