SKIING - AVALANCHE SAFETY TRAINING

Duration: 1 | Difficulty: ▲▲▲▲▲ | Price from: 173 €

AVALANCHE RESCUE TRAINING DAY

Our Avalanche Rescue Training Day is designed for all off-piste and ski touring enthusiasts who want to learn how to respond in the event of an avalanche accident. The course focuses on building essential skills through practical exercises led by a certified mountain guide. It takes place near the ski area. For unaccompanied minors, please refer to our Cham Teen Winter program, which includes a mountain safety module every Tuesday.

Goal: Learn how to rescue avalanche victims

➤ **Course content**
- Learn how to use an avalanche beacon (DVA), shovel, and probe
- Hands-on avalanche victim search exercises
- Introduction to organizing a rescue: alerting help, extrication, first aid basics
- Discussion on best practices to prevent accidents: group dynamics, decision-making, and risk awareness
