ROCK CLIMBING - FRISON ROCHE BRÉVENT

Duration: 1 | Difficulty: ▲▲▲▲▲ | Price from: 280 €

The Frison Roche route was first climbed by members of the Compagnie des Guides de Chamonix in tribute of the famous French mountain guide and writer Roger Frison-Roche. It quickly became a "not-to-missed climb" in the Aiguille Rouges Massif. With a quick access from the top of the Brévent cable car (2525m), a varied route with breathtaking views of the Mont Blanc. The local "gneiss" requires a significant climbing experience and a good flair to find the best way within the heart of the southern face of the Brévent. The amazing dihedral of the last pitch ends close to the summit of the Brévent. Previous rock climbing experience is required: ability to climb French grade 5c/6a minimum

The Chamonix Valley offers numerous mid-altitude multi-pitch climbing sites accessible from May to November. Explore Barberine near Vallorcine, featuring routes like "Le Magicien d'Oz" (300m, 5c/6a) and "Vipère au Pied" (300m, 6a). In Vallon de Bérard, classics include "L'Été Indien" (250m, 5c/6a) and "Into the Wild" (250m, 5c). Starting from Flégère, the foothills of l'Index, Grandes Floria, and Aiguilles Crochues are a true paradise for climbers, showcasing gems like "La Perroux" (210m, 5c), "Asia" (210m, 5c), and "Gaspard 1er" (160m, 5c). These destinations are perfect for climbing enthusiasts looking to avoid the challenges of glacial approaches and high-altitude climbing.

GROUP BOOKING

The group formula associates people who do not necessarily know each other. It is ideal for people looking for group friendliness and attractive prices.

Dates (group booking) : See on-line booking

Meeting point (group booking) : Your guide will call you the evening before your trip around 6.30pm to organize the meeting time and place

FURTHER INFORMATION

In this section, find all the information about this activity. For further information, please contact our advisor.

Duration : 4 - 5 hours

Location : Starting from the Brévent lift

Ability level : Climbing La Frison route is intended for people who already have climbing experience. Minimum climbing level 5c/6a is required (5.10).
20 minutes walk to approach.

Formality : Make sure you have valid individual liability insurance for the practice of this activity without any location or altitude restrictions, including assistance, search and rescue, and repatriation

EQUIPMENT

We recommend that you take special care in choosing your equipment because it contributes greatly to the success of your trip. As alpine conditions can be highly variable with sudden changes, it can get very cold in altitude, it is preferable to have numerous layers rather than one thick piece of clothing.

Equipment
- Back pack
- Mountain boots for hiking
- Rock climbing shoes
- Harness
- Helmet
- Belaying device
- Personal anchor tether

Clothing
- Classic clothing adapted for climbing
- Windproof jacket
- A pair of thin gloves

Accessories
- A pair of sun glasses category 4
- High protection sun cream
- A water bottle that contains a minimum 1,5 L
- Snacks

Our Rental Partners : You can rent your equipment with our rental shops partners and benefit from special price Millet, Sanglard Sports, Ravanel & Co & Concept Pro Shop
