## CANORAFT ON THE ARVE

Duration: Half a day

Level: ▲▲▲▲▲

Price from: 53 €

**The canoraft is a two-seater inflatable boat, operated with a double paddle. The inflated structure of the canoe-raft and its self-draining bottom allow novices, accompanied by a guide watching over their safety, to tackle whitewater without any technical skill.**

The crew, made up of 2 participants, maneuvers the boat to follow the trajectory indicated by the guide who accompanies them in their own boat.

The safety instructions given by the guide before departure allow you to understand any fall into the water. If you capsize, just get back in the boat, and off you go!

45 min on the water, 7 km of descent. Ideal for a first experience of river navigation.

*Our welcoming **raft base** is at your disposal every day from mid-May to the end of September.*
