RAFTING

Duration: Half a day

Level: ▲▲▲▲▲

Price from: 47 €

The Compagnie des Guides shows you the summertime Chamonix valley in a highly original way! Let yourself flow along the glacier waters of the Arve, a legendary playground of the Mont Blanc region! Get your adrenaline going and enjoy the fun of rafting.

Lasting 45 minutes and covering over 6km, our route is for all the family and gives you the chance to make your way through the turbulent river waters at the foot of Mont Blanc. Your instructor's tips and advice will ensure that you avoid the traps that navigating through mountain rivers can throw up.

We meet at the Compagnie des Guides' rafting water sports base, with its warm showers and lockers, in the heart of Chamonix. The only requirements to be able to participate in rafting are: you must be able to swim 25m, to put your head under water, to be over 8 years old, and be over 1.3m tall.

For an even more intense experience, the Compagnie des Guides also organises rafting trips on the Arveyron in the Chamonix valley and the Dora Baltea, one of the most spectacular rivers in Italy's Aosta Valley. Contact us for more information.
