Duration: 1 day

Level: ▲▲▲▲▲

Price from: 235 €

Located near the Emosson Lake, in Switzerland, the West ridge of the Dent de Fenestral (2 579m) offers a fun climb on its rock ridge in front of the Mont Blanc massif. After a beautiful hike among green meadows, your climb starts at the Fenestral pass (2 450m). The middle part of the ridge presents a few aerial sections that will challenge your balance! Once you reached the summit, two abseils and a short walk bring you back to the pass. The way back will follow the same itinerary as the walk there.

The West ridge of the Dent de Fenestral is for people wishing to discover rock ridge climbing. No previous rock climbing experience needed, but there are a few aerial sections.
